

Change Your Mind

Westlife

Shane:

Hey, girl, it's all over town
So how come I'm the last to find out
That you're leaving, with some other guy
Help me understand why oh why

Mark:

Tell, me, what he does for you
Is there something that I didn't do
All those late nights, I left you alone
I was working on our happy home

Kian (All):

And then I come to find out
That you're about to walk out

Chorus (All):

Baby, why do you give me such a hard time
I know he said he loves you more than I
That's a lie
Let me change your mind
Oooh...
Baby, stop before you make a big mistake
Stop before you turn and walk away
Give me time
Let me change your mind
Oooh...

Shane:

I, know, if you ever leave
Baby someday, you'll look back and see
That it's right here, that you should've been
But you can run back to me

Nicky:

And don't make me look for someone new
When all I wanted is you

Chorus (All):

Baby, why do you give me such a hard time
I know he said he loves you more than I
That's a lie
Let me change your mind
Oooh...
Baby, stop before you make a big mistake
Stop before you turn and walk away
Give me time
Let me change your mind
Oooh...

Oooh...

Oooh...

Oooh...

Shane:

Don't make me look for someone new
When all I wanted is you

Chorus (All):

Baby, why do you give me such a hard time

I know he said he loves you more than I

That's a lie

Let me change your mind

Ooh...

Baby, stop before you make a big mistake

Stop before you turn and walk away

Give me time

Let me change your mind

Ooh...

Ooh...

Ooh...

Ooh...

Ooh...

Ooh...

Ooh...

Ooh...
