

Evergreen

Westlife

Shane:

Eyes

Like the sunrise

Like a rainfall down

My soul

And I wonder

I wonder why you look at me like that

What you're thinking

What's behind

Don't tell me but it feels like love

All:

I'm gonna take this moment

And make it last forever

I'm gonna give my heart away the way we stay together

Cos you're the one good reason

You're the only girl that I need

Cos you're more beautiful than I have ever seen

I'm gonna take this love and make it evergreen

Bryan: Touch

Like an angel

Like velvet to my skin

And I wonder

I wonder why you wanna stay the night

What you're dreaming

What's behind

Don't tell me but it feels like love

All:

I'm gonna take this moment

And make it last forever

I'm gonna give my heart away the way we stay together

Cos you're the one good reason

You're the only girl that I need

Cos you're more beautiful than I have ever seen (oh yeah)

I'm gonna take this love and make it evergreen

Oh yeah yeah yeah

Don't tell me but it feels like love

I'm gonna take this moment (moment)

And make it last forever (forever)

I'm gonna give my heart away the way we stay together

Cos you're the one good reason (the one good reason)

You're the only girl that I need

Cos you're more beautiful than I have ever seen (oh yeah)

I'm gonna take this love and make it last forever

I'm gonna give my heart away the way we stay together

Cos you're the one good reason (the one good reason)

You're the only girl that I need

Cos you're more beautiful than I have ever seen (ever seen yeah)

I'm gonna take this love and make it evergreen

ooh make it evergreen
