1. I remember all my life
G **Gmaj7**
Raining down as cold as ice
Am
Shadows of a man
Am7
Face through a window
F
Crying in the night
D
The night goes into

2. Morning, just another day
Happy people pass my way
Looking in their eyes
I see a memory
I never realized
How happy you made me

G
R: Oh, Mandy
Em **D**
Well you came and you gave without taking
Am7
But I sent you away
G
Oh, Mandy
Em **D**
Well you kissed me and stopped me from shaking
Am7 **G**
And I need you today, oh Mandy

3. I'm standing on the edge of time
I walked away when love was mine
Caught up in a world
Of uphill climbing
Tears are in my eyes
And nothing is rhyming

R:

Crying on a breeze, the pain is dawning (calling)
