

# Miss You

Westlife

**A**

I can't sleep,

**G**

I just can't breathe,

**D**

**G**

when your shadow is all over me, baby.

**A**

**G**

Don't wanna be a fool in your eyes,

**D**

**G**

'Cause what we had was built on lies.

**Hmi**

**A D**

And when our love seems to fade away,

**G**

**A**

Listen to me - hear what I say

**D**

**A**

I don't wanna feel the way that I do,

**Hmi**

**G**

I just wanna be right here with you,

**D**

**A**

I don't wanna see, see us apart,

**Hmi**

**G**

I just wanna say it straight from my heart:

I miss you

**A**

**G**

What would it take for you to see?

**D**

To make you understand,

**G**

that I'll always believe {always believe}

**A**

**G**

You and I can make it through,

**D**

**G**

And I still know I can't get over you.

**Hmi**

**A D**

'Cause when our love seems to fade away,

**G**

**A**

Listen to me - hear what I say

I don't wanna feel the way that I do

I just wanna be right here with you,

I don't wanna see, see us apart {see us apart}

I just wanna say it straight from my heart:

oh, baby I miss you, I do
