

# My Blood

Westlife

You came home crying from school today  
Walked past me trying to hide the tears there on your face  
It's hard for me to explain  
How humans find the pleasure of causing people pain

But sometimes there's more to the story  
And we don't know what's going on in  
That home, behind closed doors  
Maybe there is something wrong  
So be brave, my little one  
I know you can be strong  
'Cause you are just like your mom

Say my name  
When you're hurting, darling  
I'll take the demons away  
But you know there will come a day  
When I won't be there, but  
I know that you'll be okay  
'Cause you are my blood  
You're my blood

Oh, I was 22 years old  
My mother told me that you learn more as you go  
But I've spent many nights alone  
Do I need more for me to make this house a home?

'Cause sometimes there's more to the story  
And they don't know what's going on  
My life behind closed doors  
Maybe there is nothing wrong  
And I will keep holding on  
I know I can be strong  
'Cause I am just like my mom

And she told me, "Say my name  
When you're hurting, darling  
I'll take the demons away  
But you know there will come a day  
When I won't be there, but  
I know that you'll be okay  
'Cause you are my blood"

(My blood, my blood  
My blood) you're my blood  
(My blood, my blood  
My blood) you're my blood

So say my name  
When you're hurting, darling  
I'll take the demons away  
But you know there will come a day  
When I won't be there, but  
I know that you'll be okay  
'Cause you are my blood

(My blood) my blood, you're my...

(My blood) yeah, you're my blood, you're my blood  
(My blood, my blood) ooh-ooh...  
(My blood) you're my blood
