

## Please Stay

Westlife

If I got on my knees and I pleaded with you  
Not to go but to stay in my arms  
Would you walk out the door  
Like you did once before

This time be different  
Please stay , don't go

If I call out your name like a prayer  
Would you leave me alone with my tears  
Knowing I need you so  
Would you still turn and go

This time be different  
Please stay , don't go  
Please stay

I loved you before I even knew your name  
And I wanted to give you my heart  
But then you came back after leaving me one time  
I knew that the heartache would start

If I called out your name like a song  
That was written for you , you alone  
Would you still hurt my pride?  
How I cried

This time be different,  
Please stay  
Please stay , don't go  
Please stay , don't go  
Please stay
