

Shadows

Westlife

Mornings after
Still lingers
Just waking up
I see a shadow of you
Making breakfast for two
I go driving
Past our place and
I see this girl walk by
I smell her perfume
For a moment I wish it was you
I'm not gonna tell ya
I'm not gonna say that I'm okay, no
I'm tryin' to get over
I'm tryin' to get far away from our mistakes

Chorus:
But I see shadows
Everywhere that I go
It's you, reminding me
Of how we were
Of how it was
I see shadows
Everywhere they follow
It's you and memories
Of how we loved
I've had enough of your shadows
Four months gone
I can't feel you
I don't understand it
Where did you go?
I hate that you're all that I know
I'm not gonna tell ya
I'm not gonna say that I'm okay, no
I'm tryin' to get over
I'm tryin' to get far away from our mistakes

Chorus

You couldn't love me
So why won't you leave me
Shadows
Alone is the only place I want to be
I see shadows
Everywhere that I go
It's you, reminding me
Of how to love
I've had enough
I see shadows
Everywhere they follow
It's you, the memories
Of how we loved
I've had enough
Your shadows
It's you, the memories
Of how we loved
I've had enough of your shadows
Your shadows
