# **Soledad**

## Westlife

If only you could see the tears in the world you left behind If only you could heal my heart just one more time Even when I close my eyes There's an image of your face And once again I come I'll relise You're a loss I can't replace

#### Soledad

It's a keeping for the lonely
Since the day that you were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory live on
Why did you leave me
Soledad

Walking down the streets of nothingville
Where our love was young and free
Can't believe just what an empty place
It has come to be
I would give my life away
If it could only be the same
Cause I can't still the voice inside of me
That is calling out your name

## Soledad

It's a keeping for the lonely
Since the day that you were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory live on
Why did you leave me
Soledad

Time will never change the things you tols me After all we're meant to be love will bring us back to you and me If only you could see
