

# The Easy Way

Westlife

Listen girl  
Just let me talk to you  
I just want to be with you  
So why should I play it cool  
You and me, we've got a chemistry  
So I don't need poetry  
To say what you mean to me

See I'm not into buying your affections  
With a diamond on a necklace  
There's a realer way to do it girl  
I don't need to throw you all these  
Lines just so you know  
I know you're fine, I'm going to come  
Right out and say it girl

I, love you  
I, love you  
What's wrong with saying it the easy way  
I, love you  
I, love you  
What's wrong with saying it the easy way

Pretty girl  
I don't want to play no more  
Been there, done that before  
I've never been so sure  
About what I feel  
Let's get it on for real  
Why should I hold it back  
When all I want to say is that (yeah)

I'm not into buying your affections  
With a diamond on a necklace  
There's a realer way to do it girl  
I'll spend all the time I have with you  
I'd never treat you bad  
Ain't that enough to show you  
That you are my world

I, love you  
I, love you  
What's wrong with saying it the easy way  
I, love you  
I, love you  
What's wrong with saying it the easy way

Aw I love you  
I love you, I love you the easy way  
I love you  
Yeah, yeah, yeah

See, I'm not into buying your affections  
With a diamond on a necklace  
There's a realer way to do it girl  
I'll spend all the time I have with you  
I never treat you bad

Ain't that enough to show you that  
You are my world

I love you, I love you  
I love you, I love you  
What's wrong with saying it the easy way  
I, love you  
I, love you  
What's wrong with saying it the easy way

I, love you  
I, love you  
What's wrong with saying it the easy way  
I, love you  
I, love you  
What's wrong with saying it the easy way

I love you, the easy way
