

# Wide Open

Westlife

Why do I try to hide  
These feelings deep inside?  
But tonight seems too long  
To live this life, all alone

I guess I'll have to wait  
It's almost more than I can take  
Is it written in the stars?  
This kingdom in your eyes  
This world could be ours

So letting go tonight  
And handing you the knife

If you cut me wide open  
There's a love here unspoken  
A heart overflowing  
Dreaming of your kiss

I'm standing here hoping  
For the moment you say when  
Touching your skin, giving  
You kill me everytime  
I would die for you

I could go on and pretend  
And play the fool again  
How can I just walk away  
From everything I feel  
When all I wanna say  
These scars'll never heal  
And they'll never go away

So cut me wide open  
There's a love here unspoken  
A heart overflowing  
Dreaming of your kiss

I'm standing here hoping  
For the moment you say when  
Touching your skin, giving  
You kill me everytime  
I would die for you...

There's no way to explain to you  
Just cutting through my veins  
I can't take it any longer  
This feeling's getting stronger every day, yeah-ah

If you cut me wide open  
There's a love here unspoken  
A heart overflowing  
Dreaming of your kiss

I'm standing here hoping  
For the moment you say when  
Touching your skin, giving

You kill me everytime  
I would die for you...

(Ooh-ooh)

I would die for you...  
I would die for you...  
I would die for you
