This day right here is really rough
These girls out here about the bucks
These fools out here afraid to bust
I have no fear, afraid of what
And in five beers I'm comin' up
Fools talk real loud but don't run up
When we come through they run and duck
We still right here don't press your luck

Homey I'm tired of the cowards parkin like this walkin like this
From the concrete when they chalkin' like this
And there he goes and a trick pose and a throw back
Holdin' a gack ain't gonna bust and know that
It's a dub ass C thang dub C brain
And we don't kick it but bust it and kaki jeans strains
I'm done movin I'm clearin the crowd
It's the who bangin bandana cri-mi-ni-mi-nal
The ori-gi-nal

Evacuate the building look here come a plane
No, it's the big bad Westside Connect Gang
And bump what you plain homey this who bang
With enough game to drive a swear broad insane
And we number one gunners no we ain't stunners
It's real with us partna, dealers and drug runners
And Mack need a D-board in a H2 Hummer
Lookin hotter than the South Central L.A. summer
