

AND THEN YOU PRAY FOR ME

Westside Gunn

You know

Walkin' by faith

ID my footsteps further from faith, I sit from the lake

Yeah, too much of blush, man, it pays no mistake

Walkin' by faith

ID my footsteps further from faith, I sit from the lake

Yeah, too much of blush, man, it pays no mistake

Too much of blush, man, it pays no mistake

Too much of blush, man, I'm walkin' by faith

Walkin' by, walkin' by, walkin' by

Yeah, Fear of God on my soles as I walk in

They can tell I be gluin' these verses

Gotta stand on my word like a sermon

Take it way further back than apartments

Family feud over pettiest arguments

Love is pain and most people can't handle it

Where's the real shit without the entanglement?

Feel like they hidin' me, that's what they angle is

Quietest in the room just say, fuck all the quiet shit

Ain't no fear when your momma work overnights

Plenty time for our silence, let's choose wrong or right

Ain't no fear when you done in your last fifty

I was thinkin' this shit could get cold as ice

Bring me back to the freezing Wyoming nights

Guess the fly on the wall finally found the light

Always rappin' about God, without meaning to

Know the feelin' is in me, it's spiritual

How the hell do I rap on a Westside Gunn song, we just takin' back spiritual

I know the spotlight is big for the two of us

Know the spotlight is big for the two of us

Three of us, four of us, six, seven, eight, a hundred

And then you pray for me

As I walk through the valley of the shadow of death

Walkin' by faith (The fear on you)

ID my footsteps further from faith, I sit from the lake

Yeah, too much of blush, man, it pays no mistake

Walkin' by faith

ID my footsteps further from faith, I sit from the lake

Yeah, too much of blush, man, it pays no mistake

Too much of -, walkin' by faith

Walkin', walkin', walkin' by

You know what I'm sayin'?

And then you pray for me

You know what I'm sayin'? Pray for the world

And then they'll forgive me
