

## Birkin

Westside Gunn

Ayo, Burberry rain shoes for a rainy day  
Hangin' out the Bentley coupe with the throwaway  
A horse ain't the same  
Headshots so all you see is brains  
The whole hood know my name  
Put my first gat in the hall of fame

I do you filthy for the bag  
I do you filthy for the bag  
A little nigga do you filthy for the bag

You ever seen brains before? (Ever seen brains before)  
You're sellin' 'caine raw (Sellin' 'caine raw)  
A hundred bricks in the wall (Hundred bricks in the wall)  
We the flyest of them all (We the flyest of them all)

I'm, I'm wondering if I can get a man in  
If I can get a man in with, uh  
A little, a little lower profile  
Ladies and gentlemen, certainly a man who needs no introduction  
Anywhere, of course, ha, in the greater New York area and certainly  
around the country watching at this point in time  
Uh, we saw you earlier, Andy Warhol, your impressions of what took  
place earlier on here  
Uh, I'm speechless  
Well, you've gotta be, I mean, so many  
I mean, I saw jaws drop to the, to the floor  
Uh, it's just so exciting, I just don't know what to say  
Have you, have you ever seen such total bedlam and pandemonium  
in your entire life?  
Never  
Your impressions of the rock and wrestling connection? Don't, don't  
you think that they got together tonight here and band together,  
and stood on firm ground?  
It's the best that I've ever seen in my whole life, most exciting  
thing  
Well, I tell you what, I thank you very much  
Uh, Andy Warhol, I thank, I thank you very much for joining us  
Good luck, and one of the greatest wrestling fans, always a pleasure  
seeing you here at Madison Square Garden  
Thanks a lot  
Good luck to you, I thank you
