Developing tonight, this Kerry James Marshall painting, once on display at McCormick Place, has a new owner

It caused quite a stir last month, when it was announced the painting, bought for \$25 000, was expected to sell for millions

CBS 2's Mai Martinez watched this Sotherbuy's auction live online, and Mai, it did not disappoint

It certainly did not, Rob and Irika

The painting was expected to fetch between 8 and 12 million dollars tonight

Either of those prices would've been a record breaking sale for a Ker

But it actually sold for much more
