

## Hitler Theme

Westside Gunn

Luxurious

Ayo, the starter knicks, Pat Ewing kicks-40 off 'em  
Throwing up Faleek Chao while y'all niggas starvin'  
Bell stacked joggers, marvelous a monster  
Came right in your face, the rover sport duck sauces  
B.I. had me nauseous, fill the brick truck  
Lou flip-flops and try you that New Orleans  
Fiends giving they veins torture, New Yorker  
Gave work dolce and Gabana had corners  
Bull-strap black mask and red and black Foams  
Camouflage Dior homme, my style alone  
Is exquisite, jail sand in britches, fam', listen  
Expand chickens, baking sodas grams, ya can't miss 'em  
Quarter milli' Grand Turismo, whip delicious  
Sick tucked purple laces, spendin' yay-dealers  
Authentic Indian head Polo, vintage  
Dudda man hang you from the third floor, Lenox  
Break squares down in fractions, hangin'  
Out the drop head, jugglin' MAC-10s on glass rims  
Drinking codeines for the pain  
Shoot yo' block up for the fame  
Louis low-tops showin' no laces  
I just realized, I'm the fuckin' greatest  
Clap a nigga for the love of it  
Piss on ya moms for the fuck of it  
If you don't fuck wit' me, nigga, fuck you then  
(If you don't fuck wit' me, nigga, fuck you then)

Es ist unser Wunsch und Ziel  
Das dieser Staat und dieses Reich befehlen soll  
In den kommenden Jahrtausenden  
Wir können glücklich sein zu wissen, dass diese Zukunft richtlo  
s uns gehört
