

Sunshine Intro

Westside Gunn

Yeah, yeah, yeah, yeah
They said uh-huh
Who take care of the man who takes care of himself, huh?
You better act like the sun, you heard?
The sun don't do nothin' but one thing, shine, you know?

The sun ain't sit up, fittin' to be sittin' up, wonderin' what
the fuck you doin', hahaha
You gotta take a lesson, but, uh, you know as they say, you know
Everybody ain't supposed to know everything, you know what I mean?
You know, ignorance is bliss, as they say, you know?
That's a protectorate from God to make a delineation between, you know what I mean, man ain't God, you know
Some of you niggas is just humans
The sum of you is Gods though, right? Hahahaha
See but God do this, what
God mimics the sun, you understand that?
You know, he always shines
He ain't finna be worried about, let me get you a simile or two, though, let me go 'head with you
Even in the night time you can't see God in his fullness, you heard?
You better learn from the Moon, you heard?
The moon will show show you, I c-
The moon be like this, you know what?
I can't have God shinin' on me all day, 'cause it's gon' see all my scars, you see?
You see, the moon is scarred up from dealin' with all these emotions, you know what I mean?
So the moon won't even let you see the sunlight all day, you can't do it

Yeah, yeah, yeah, yeah
They said uh-huh
Who take care of the man who takes care of himself, huh?
You better act like the sun, you heard?
The sun don't do nothin' but one thing, shine
