

Convincing

Wet Leg

Gone with the wind, taken by a heathen
Like an April fool was in 2007
Sun goes down every night
No goodbyes, I'm not surprised
I'm left with a lady in ruins

Uh-oh, convincing
Uh-oh, yourself
This is fine
Oh no, it's not working for you darling

They're outside of my house right now
And I wanna go outside and not see your name or his fucking face
Do you think the other girls would mind if I took a swim too in
the nighttime?
On the beach, wet feet
Bioluminescent plankton shit

Uh-oh, convincing
Uh-oh, yourself
This is fine
Oh no, it's not working for you darling
Uh-oh, convincing
Uh-oh, yourself
This is fine
Oh no, it's not working for you darling

And the sky is blue (Blue, ooh, ooh)
Do you feel it too? (Too, ooh, ooh)
And when the sky is grey? (Grey, aye, aye)
Uh huh, I feel the same

Uh-oh, convincing
Uh-oh, yourself
This is fine
Oh no, it's not working for you darling
Uh-oh, convincing
Uh-oh, yourself
This is fine
Oh no, it's not working for you darling
