

Someone Like You

Wet Wet Wet

Give your broken heart to me
Let me give you my soul
For you to keep
Just give me some words,
To speak

I'm gonna leave it down
Cos all I wanna do is be with you

Someone like you
Someone like you
Someone like you no fool can suffer
I just can't wait long enough
For someone else to take your love

Let me open my heart,
For you to see
Let me give you my soul,
For you to keep
Let your love go
Just let it go with me

Have I ever let you down?
Cos all I wanna do it be around

Someone like you
Someone like you
Someone like you no fool can suffer
I just can't wait long enough
For someone else to take your love
And I can learn to live again
And wash away the hurt inside

I'm gonna leave it down,
Cos all I wanna do is be with you

Someone like you
Someone like you
Someone like you no fool can suffer
Someone like you no fool can suffer
