

## Lightwork Freestyle, Pt. 1

wewantwraiths

I'm leaning back in this Cullinan, I see the shooting stars  
My nigga break a brick right down, he's got a stick right now,  
he lettin' shit fly out, yeah

I don't like to party, I like codeine, I been thinkin 'bout thi  
nk money, since like 14  
Bitches that I used to fuck, will tell you I got no feeling's  
Bitch get off my coat, let me go, you ain't my type, this bitch  
too much, want a threesome, but I'm alright  
Bitch I'm too on, won't step in, without the pack, where you fr  
om, kinda cute, you lookin' nice  
Tryna' move on, from your ex, come spend the night, come, let's  
do wrong, aren't you tired, from doing right  
Bitch I'm too lit, I got 2 mali girls in the ride, let's make a  
movie  
Came by myself but I got 3 girls in the 2 seat, I had to make s  
ure, it's the fact they gettin' mood swings  
We cuttin' through in a Ferrari on a Tuesday, feel like the her  
o in my city, call me Bruce Wayne  
I'm pouring codeine in my cup

I'm leaning back in this Cullinan, I see the shooting stars  
My nigga break a brick right down, he's got a stick right now,  
he lettin' shit fly out
