You get a whole lot of problems, they not only one getting paid
, I'll split it all with my brothers
Can't take it with me to the grave, he got a gun in the closet,
coming out with it, he ain't gay, he'll put a hole in your nug
get
Moncler jacket with no fur, diamonds dancing in gold bursts, se
lf driving, no Chauffeur
Dying broke is my worst fear, no one really cares if you go hea
ven, or not
Cuz' when it's time to weigh the scales, I pray to God we all p
revail
Cuz' where I'm from we play the game, why is it me they always
blame
I told my bro, perfect your aim, can't be the ones destined to
fail
Cuz' they don't even care, if you got money or not
I had to pave my bro's the way, we can't get stuck on the block
Keep moving, try not get shot, improving the way I talk, this m
ovement made me a boss
I flow my way to the top, skip through in double R's, my heart'
s gone numb
How hard am I coming
