

## Mayor

wewantwraiths

I created my block in the founder and a mayor  
Put a switch on the back and turn the glizzy to a sprayer  
Put my stick in a cab I pray that it gets here  
Inshallah I'll be a millionaire by next year

No way can I lack videos I stay strapped up  
He weren't worth a bullet hence why he got stabbed up  
My knife works crazy I'll do you up gladly  
Fuck a RBR you know these Lugers are factory

Fuck rap beef we got pagans to switch off  
I was in my school uniform taking wigs off  
I was on my peddle back not even a 10 to my name  
Till I whipped a nine up and served pebs in the rain

We was living fast and slowing down when the law came  
Urus Performante watch me drive it on both lanes  
60 in 3 seconds what you know about horse break?  
We ain't turning off we serving nitties the whole day

We was doing fraud or distributing that cocaine  
Trappin or we scamming so much viccies in one day  
Turned these 08 astras into Bentleys and Porsches  
Broski servin' crack got nitties sleepin' in hallways

This is booter and wraiths watch us turn up the wave  
You ain't stepped for your boy I know he turns in his grave  
If it isn't studios I'm putting burners away  
Broad day light let the 12 burst on the mains

I'm a shooter and a stabber trapper and a rapper  
They had booter on mappa still booting on camera  
I'm still moving packs and drug squad are on me  
Walk on to my strip hella walking zombies

She told me she ain't never met a nigga like me  
Look into my watch and you'd think you was ice skiing  
I can take your girl for lunch but she'll just end up sight seeing  
3 baddies in the truck now everything is times x3

In the tour bus she's trynna take her clothes off  
Rapper and scammer made a living of a call ups  
Check the call log I'll show you what this phone does  
There's no limit we've been maxing out this whole month
