Her body figure shape an 8, I'd probably rate her a 9
7 out of 10 times, she probably fucks on the side
She wants cream out the pie, ain't got a reason to lie
Shotty shells come cheap, every bullets a 5
Putting money into squares, sit and watch from the line
It's 4PF, I'm doing good, our cars don't have no mileage
Give you what you want, that's everything except designer
3 minutes with your bitches, got you thinking I'm wise
2 more minutes, then I'll leave, because I just don't like her
2 spinners in the car, in case the whip can't drive
