

## Ashes

Weyes Blood

Lead astray  
By a turn in the wheel  
And now I'm afraid  
By how you made me feel

How bad to dream  
More of things untrue  
Ashes of you  
Still haunt me this way  
Still haunt me this way

Stained by your sun  
With your eyes open wide  
You once let me inside  
Now the time passes me by

How bad to dream  
More of things untrue  
Ashes of you  
Still haunt me this way  
Still haunt me this way  
This way now  
Still to this day  
Still to this day

In my own tomb  
Where I like to keep you  
All tangled into  
My own very vision of loss

How bad to dream  
More of you today  
I'll throw your ashes away  
Right now  
Right this day  
I'll let them blow away  
Away

Now I'm on my own  
Now I'm all alone  
My heart longs for  
Where the grass is green  
The meadow I destroy  
So that I am free
