You ask too much of me You try my patience Your tongue - it's like a razor You choose your words like weapons Here we go - Battlestations

I never have the guts to let you look inside
I don't think you'd appreciate the things that I hide

Monday was the worst day
And Friday wasn't my day
But Wednesday was the best day
Because on Wednesday night we made love
All I'm trying to give you is a good time honey
Why d'ya have to keep on playing games with my head
Used to be your baby when you had no money
Now we spend more time in battle
Than we ever do in bed
(Than we ever do in bed)

You don't know how much I hate that answer phone
Are you standing there?
But - you won't pick up the 'phone
Why lie to my face?
(When you can buy a tape machine to give me bullshit in your place)

Today I did something I thought I'd never do I opened up your diary and read about you

Monday was the worst day
And Friday wasn't my day
But Wednesday was the best day
Because on Wednesday night we made love
All I'm trying to give you is a good time honey
Why d'ya have to keep on playing games with my head
Used to be your baby when you had no money
Now we spend more time in battle
Than we ever do in bed
(Than we ever do in bed)

Monday was the worst day
Wednesday we made love
And Friday - ooh but Saturday, is today, is what I'm thinking of
Come in baby- come in close
(Take off your designer clothes)
'Cos you know what I'm thinking of
Do you remember me, do you remember us Do you remember love?

All I'm trying to give you is a good time honey Why d'ya have to keep on playing games with my head Used to be your baby when you had no money Now we spend more time in battle Than we ever do in bed (Than we ever do in bed)

La premiere fois tu m'as fait beaucoup rire Tu etais si mignon, et tu jouais du piano Maintenant, mon mellieur ami c'est l'argent Au revoir, cheri Au revoir, mon amour
