## What So Not

High off the lifestyle, off the lifestyle

Girl, I heard, you buried her  
Somewhere out of reach  
Girl, I heard, you buried her  
Somewhere, no one can see

Look, eh, I said:  
How the hell did it happen?  
I'm serious, I ain't laughin'  
You might overdose on this lifestyle  
I'm scared for you, I ain't rappin'  
How the hell did it happen?  
I'm serious, I ain't laughin'  
You might overdose on this lifestyle  
I'm scared for you, I ain't rappin'

Shit, eh, this is the time to get it  
This is the time to get it  
You need to snap out of it nigga  
I'm being specific  
Uh, this ain't about your rovers  
This ain't about your bitches  
This is about your soul, your morals  
They got to be decent  
Eh, and I'm just seeing for a difference  
Eh, I think your goals is something different  
Shit, open up your eyes bro!  
You high off that life, you know!

Girl, I heard, you buried her  
Somewhere out of reach  
Girl, I heard, you buried her  
Somewhere, no one can see
