

# Freedom

## What So Not

We just want what they should have  
Just give us our freedom, freedom  
Give us freedom, freedom  
All we have [?] is hope that  
We will find our freedom, freedom  
Find our freedom, freedom

Give us freedom, freedom  
Give us freedom, freedom

We just want what they should have  
Just give us our freedom, freedom  
Give us freedom, freedom  
All we have [?] is hope that  
We will find our freedom, freedom  
Find our freedom, freedom

Give us freedom, freedom  
Give us freedom, freedom

We will find our freedom, freedom

We just want what they should have  
Just give us our freedom, freedom  
Give us freedom, freedom  
All we have [?] is hope that  
We will find our freedom, freedom  
Find our freedom, freedom

Give us freedom, freedom  
Give us freedom, freedom

We just want what they should have  
Just give us our freedom, freedom  
Give us freedom, freedom  
All we have [?] is hope that  
We will find our freedom, freedom  
Find our freedom, freedom

Give us freedom, freedom  
Give us freedom, freedom
