## What So Not

They used to tell me I was regular  
Got me sitting on the edge of my seat  
They used to tell me a lot of things  
They tried to tell me how I should think

One day, one day, or another, you're fine  
One way, one way, or another, that's right

You got me wrong (wrong)  
You got me wrong but what is this  
You got me wrong (wrong)  
You got me wrong but what is this

I'm off the heavy metal hit  
No amateur shit  
Rip your neck off and rip another hit off my spliff  
One sip off the end, just to get bent  
Is this really how your whole life was spent?  
On a scale of 1 to 10, do you feel irrelevant?  
Maybe you should say what the fuck you really meant  
The devil sent me here in fear when I was young  
Bitch, that's why I said I had enough

They used to tell me I was regular  
Got me sitting on the edge of my seat  
They used to tell me a lot of things  
They tried to tell me how I should think

One day, one day, or another, you're fine  
One way, one way, or another, that's right

You got me wrong (wrong)  
You got me wrong but what is this  
You got me wrong (wrong)  
You got me wrong but what is this

Shiiit  
I is Michael I am idol I does Eiffel (yeah) above all of these simple suckers that  
Is idle (yeah)  
My homeroom teacher said Michael you won't be shit  
Who me?  
He dead now hey look at Michael I'm dead rich (R.I.P.)  
Fuck all the doubters, they doubted cause I was just bout it  
I had to be bout it and bout it  
The bottom was too fuckin crowded  
Just like a crab in a barrel I fought to get out if it  
But they wouldn't allow it  
And still I got out and goddamn it I must me the greatest  
I'm not the run of a mill, I run up a mill for every one of my babies  
Don't wanna be GOAT (don't wanna be GOAT)  
I wanna be wolf on his throat  
May never be rich may never be rich, but I will not settle for poor  
I cannot lie, I cannot lie did what I did to get by, have no regrets, have no regrets  
I did not settle for regular shit

They used to tell me I was regular  
Got me sittin on the edge of my seat  
They used to tell me a lot of things  
They tried to tell me how we should think
