What So Not

I don't need your love
I don't need your love
(The wait, the wait, the wait, the wait)
I don't need your love
I don't need your love
(The wait, the wait, the wait, the wait)

Don't mind me, don't cry for me
Don't hold me up to the faces that you love
Just don't mind me, don't lie for me
(The wait, the wait, the wait, the wait)

Don't mind, rewind, ooh
Don't fight, into, ooh
