

## Trust

### What So Not

If I know your name, I would call it  
And if you caught my eye, I would act surprised  
Cause we could watch this love, from the sidelines  
Or we could take a chance, and at least we'd tried

It's hard for me to trust you  
When all I see, is your hand in mine  
And all I need is for you, to trust me  
Come closer, come closer, I need you here right by my side

It's hard for me to  
It's hard for me to  
It's hard for me  
It's hard for me to  
It's hard for

Well you could leave me, only for a moment  
Whisper in my ear, that it's you and I  
Then you'd wake me up, when it's over  
When I'm in too deep, and I've lost my mind

It's hard for me to trust you  
When all I see, is your hand in mine  
And all I need is for you, to trust me  
Come closer, come closer, I need you here right by my side

It's hard for me to  
It's hard for me to  
It's hard for me  
It's hard for me, and all I need, all I need, all I need to trust you  
It's hard for...
