

Last night  
I dreamt  
We did our  
Laundry together  
And we were singing  
The same song  
While we folded  
Our clothes  
As I recall, you  
Looked like a  
Total doofus  
Which is pretty  
Accurate  
And so, I woke up  
Feeling sad  
'Cause it never  
Happened

'Cause it never  
Happened

'Cause it never  
Happened

'Cause it never  
Happened
