

for her

whatsaheart

My soul aches for you
You belong with me
Yeah, I was made for you
And you were made for me
Why do you still reject me?
(I don't know)
Bae without me you're empty
(All alone)

You, I'm calling for
Tearing down the walls in my abode
Lying on the floor in a pit of blood
I still don't know if it's love or lust
But I need her, I will do it all for her
Anything she wants me to
My love, return my love or you'll fall down
I'd cut out my heart if it meant that you'd hold it close
(That you'd hold it close)

You, I'm calling for
Tearing down the walls in my abode
Lying on the floor in a pit of blood
I still don't know if it's love or lust
But I need her, I will do it all for her
Anything she wants me to
