It's all fine until it's not (Until it's not)
Caught in the crossfire and I drew blood (And I drew blood)

As I hit the floor
He told me what I wanted
Will soon be ours

It wasn't my fault, I
Didn't know what I
Was getting myself in
And now I am locked in
It wasn't my fault, I
Didn't know what I
Was getting myself in
And now I am locked in

As I hit the floor
He told me what I wanted
Will soon be ours

I'll take a bite of your apple
I'll say goodbye to my people
Am I livin' a lie? Well, it's the life I choose
Cover my eyes, hide from the truth

As I hit the floor
He told me what I wanted
Will soon be ours

It wasn't my fault, I
Didn't know what I
Was getting myself in
And now I am locked in
It wasn't my fault, I
Didn't know what I
Was getting myself in
And now I am locked in

As I hit the floor
He told me what I wanted
Will soon be ours
As I hit the floor
He told me what I wanted
Will soon be ours
