

Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
I'm so lovesick

I know you see how much you mean  
Endlessly, I can't believe  
I feel you match my energy  
Was stalking you 'cause you're stalking me  
I could steal you easily  
But I want you to need me  
I feel you match my energy  
I feel you match my energy

Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
I'm so lovesick

Stop fleeting away to other men  
He can't do it like me, girl, I'm not like him  
I'll be your fix, inject me to your skin  
Would you come into me again and again?  
I'll set my trap, and you'll fall right in  
You belong to me, get that in your head  
I'll be your fix, inject me to your skin  
I'll be your fix, inject me to your skin

I want you closer, as you fall asleep  
I wanna know everything, even your dreams  
You've been sly, so sly  
I can't help it, I can't help it

Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
Cut me open, cut me open  
Let me out, I can't breathe, I'm sufferin'  
I'm so lovesick, I'm so lovesick  
I can't help it, I can't help it  
I'm so lovesick  
I'm so lovesick
