

## Anyway

Wheatus

Pornography!

I pretend i cant hang up the phone  
Cos if i do then he gets you  
And ill be in this room alone  
Staring at the carpet  
Wondering how they made it  
And you would i should not be afraid  
Im better off alone and free  
Cos no-one can put up with me  
And your mom don't like me either  
Now I don't have to meet her

You and me  
We end up in catastrophe  
But i have got one more thing to add  
OK so im a jerk  
And im a weirdo  
And even if im lucky ill amount to zero  
But i thought that you'd love me anyway  
I'm so not even worth it  
But baby no-ones perfect  
Yeah, I thought that you'd love me anyway,  
Anyway

You're not the type of girl who takes advice  
Still all that shit your parents said  
Still bouncing round inside your head  
"You two will never make it  
If you build it he will break it"

You and me  
They sum us up so poignantly  
But i have got one more thing to add  
OK so im a jerk  
And im a weirdo  
And even if im lucky ill amount to zero  
But i thought that you'd love me anyway  
I'm so not even worth it  
But baby no-ones perfect  
Yeah, I thought that you'd love me anyway,  
Anyway

Maybe youll never play the guitar  
Maybe youll never sing in harmony with me  
Maybe you cant rock the ac/dc  
Well hell still aint a bad place to be when your with me  
Anyway

OK so im a jerk  
And im a weirdo  
And even if im luckly ill amount to zero  
But i thought that you'd love me anyway  
I'm so not even worth it  
But baby no-ones perfect  
Yeah, I thought that you'd love me anyway...  
Anyway

And the end goes like this
