

## F.B.S.M.

Wheatus

I saw Wicked thirty times and I'm not ashamed of that  
In fact, I'll go again as soon as I can  
But I'm too busy breakfast slammin'  
Some strawberries with smoked salmon  
Pizza coffee by the gallon  
Black beans shootin' out the can

You know it's true  
In these wrestling shoes  
You know it's true  
I'll be BCCing you  
You know it's true  
Also, can I please use your nice shampoo?  
Like ten times more than anyone needs to?

I drive a freeballin' stress machine  
Through the cracks of your in-between  
I don't care if you laugh at me  
Cos it's all that I've got in the end

I love sleeping in my van  
Much better than a nice hotel  
I'll drive a thousand miles by myself  
No, I don't want any help  
Drive all day 'cross Indiana  
Look! The Mighty Susquehanna  
Nah, nah nah nah

You know it's true  
Drink my vitamin D  
You know it's true  
Just bbb being me  
You know it's true  
And it's easy  
It's a 1 2 3 4 1 2  
Then you gotta play it like a cupcake falling from a window

I drive a freeballin' stress machine  
Through the cracks of your in-between  
Gotta love if you laugh at me  
Cos it's all that I've got in the end

Head lamp  
Ham hog  
Tone bowl  
Bullfrog  
Rain melt  
Dances  
S.W.A.T. vest  
Mantis  
Cube head  
Stonehenge  
Zicam  
Back-bends  
So much more that I'm forgetting  
Good thing I'm not in charge of weddings

Stop

I am texting my whole band for a list of shit I do  
And yeah, they're even making fun of me for this  
But guys, can we please get to work here?  
This is serious business. The trailer's not gonna load itself

You know it's true  
Have you seen my keepsake box?  
You know it's true  
Tuck these pants into these socks  
You know it's true  
I can spot a pregnant stick bug from a mile away  
Bet you can't  
Can

Yeah I'm a freeballin' stress machine  
In the cracks of your in-between  
And I love when you laugh at me  
Cos we're all that we've got in the end

How you like me now? Tell me can you feel me?  
We're all that we've got in the end  
How you like me now? Tell me can you feel me?  
We're all that we've got in the end  
How you like me now? Tell me can you feel me?  
We're all that we've got in the end  
How you like me now? Tell me can you feel me?

Uh. Ok guys, take lunch
