Your wife is a clown she's in town, she gets with some other gu

Cause I'd like to give it to my kitty cat  
The big fat look is coming back.  
You skinny people are screwed.  
And I know you're right  
Yeah I know it's time.

Here we go again another humpem dumpem situation  
Here we go again another humpem dumpem situation  
Here we go again, here we go again  
Now I know what you're like and I don't think I like it.

The newspaper says to get bent;  
Man I'd like to say that to the President  
He got the L. in the House, I guess he already did  
She looks like she finished here fat  
She then turned around and ate my kitty cat  
She coughed up a hair ball or two and laughed her way to the ba  
nk  
And I know it's right  
Yeah, I know it's time.

Here we go again.
