Every day, I only looked at you
Now when I close my eyes, I can see you
Like I just ran 100 meters
My heart is already racing
On my way to see you
Singing like

Da da darada da da darada
Da da darada da da darada
Sing a song on and on
Da da darada on and on
Maybe I fall in love with you oh
Sunshine gentle breeze you and I

Come to me, hurry and hold me
Walk with me on this path where flower petals fall like rain
Don't have to say anything
If only I'm with you

I can't sleep
When this night is over, I will see you
Even the moonlight is warm, only when I think about you
Whenever I play my piano

Da da darada da da darada
Da da darada da da darada
Sing a song on and on
Da da darada on and on
You're the one and only
That I give my everything
I feel you every
Moment that I breathe

Come to me, hurry and hold me
Walk with me on this path where flower petals fall like rain
Don't have to say anything
If only I'm with you

When this night is over
When the morning comes
I will see you
I want to hold you baby
When I think about you, even the moonlight feels warm
I never felt like this before
I feel you every night and morn
Now we walk along

Walk with me on this path where flower petals fall like rain
