Too late too late
You're so stupid stupid
No way no way it's not easy

Your face when you're thinking about something else is so obvious
I know everything, it's not an ordinary day

You're not quick-witted
But you show yourself so easily, it's so cruel

Your sensitivity that makes me nervous
Your honesty that pierces my heart
Why does it only pertain to me? It's too unfair

I'm not easy, I don't like that stuff
I just went along with you, I just liked you more (than myself)

My heart is already changing
I wanna take myself out from being trapped in you and escape

Too late too late
You're so stupid stupid
No way no way it's not easy

Deeper thoughts made me afraid of loneliness
Now I can just take it, it's just an ordinary day

Even though I can't sleep till dawn
I won't look for you
There's a lot to look forward to, all day

Your blunt words
All the promises that were easily forgotten
Why does it only pertain to me? It's too unfair

I'm not easy, I don't like that stuff
I just went along with you, I just liked you more (than myself)

My heart is already changing

I wanna take myself out from being trapped in you and escape

No, don't escape baby, cuz my love is still the same

My love for you is certain

Even though I'm a jokester and trouble maker

I hope you'll give me one more chance

I hope you'll be the master of my heart

I don't think you're an easy woman

So what I'm saying is, I'm sorry, I'll be better

I love you, I love you

I'm not easy, I don't like that stuff

I just went along with you, I just liked you more (than myself)

My heart is already changing

I wanna take myself out from being trapped in you and escape

Too late too late

You're so stupid stupid

No way no way it's not easy
