Each day passes
But I can't forget you although our love is over
I'll think of you tomorrow as well
I can't erase you but I have to let you go
We're broken like glass
My broken heart cannot be healed so it disappears
From the hurt me, from the hurt you
Even the moment we said goodbye, it got me worried
What kind of rumors would torture me? I'm afraid
I sugar coat it by saying I'm leaving because I love you
And I say goodbye as I wipe my tears
As I held the crying you, I was thinking
Hiding my selfish face
With endlessly sad eyes, goodbye once again
I didn't expect the times we loved
And the end where we said goodbye to be any different
But you need to forget me
And I'll leave you
Even the moment we said goodbye, it got me worried
What kind of rumors would torture me? I'm afraid
I sugar coat it by saying I'm leaving because I love you
And I say goodbye as I wipe my tears
As I held the crying you, I was thinking
Hiding my selfish face
With endlessly sad eyes, goodbye once again
Without being able to erase the memories of when we first met
I'm comforting you, saying not to get hurt as I said goodbye
