

Even When

Wheeler Walker Jr.

Girl I ain't too good at sayin'
What I'm feeling deep inside
Usually I just hold it in
But lookin' at you layin'
Right here by my side
I want you to know
I love you even when

You're not sucking my dick
You're not squeezing my balls
You're not lickin' my asshole
With my hands up against the wall
I know I tell you all the time
When I'm railing you from behind
But baby even when the fuckin' has to end
I love you even when

Even when your mouth is movin'
And you're sayin' all those words
Probably talkin' 'bout your ma and pa
And them
Even when your bowels are movin'
And you're squeezing out a turd
It smells like hell
But I love you even when

You're not jackin' me off
You're not strapping one on
You're not smackin' my ass
Red dressed up like my mom
I know I tell you all the time
When you're railing me from behind
Even when I don't have a ball gag in
I love you even when

Even when you spend all my money
Even when
I have to pretend that you're funny
Even when
Even when

You're not shavin' my sack
You're not clampin my nips
You're not doing that weird thing
You like to do with your fist
I know I tell you all the time
When you put them beads in my behind
Record it all and send it to your friends
I love you even when
I love you even when

I love you even when
