

## Pictures On My Phone

Wheeler Walker Jr.

Flashback, I was just 16  
Lookin' at pictures in a magazine  
All it would take for me to cream  
Was a girl in a nightgown  
But the girls these day I swear  
Laying out in their underwear  
Snapping titties like they didn't care  
If they spread all over town  
Well I guess it's a whole new world  
Have sex and don't even eat the girl

Playing music out on the road  
Heading back to my hotel room  
Can you do me a solid one  
Send me pictures of your pussy on a phone  
Hate the movies on the internet  
I prefer the personal shit  
I won't feel so all alone  
With some pictures of your pussy on my phone

Getting off the bus at dawn  
Girls waiting there to suck me off  
I turn around and then i'm gone  
I don't need to make time for them  
I can nail every woman I see  
Fuck more than a Canidae  
But that shit gets old to me  
I'll be alone when I want to cum  
Rather be by myself at night  
Cock glaring up with the cellphone light

Playing music out on the road  
Heading back to my hotel room  
Can you do me a solid one  
Send me pictures of your pussy on a phone  
Hate the movies on the internet  
I prefer the personal shit  
I won't feel so all alone  
With some pictures of your pussy on my phone

Won't feel so all alone  
Won't feel so all alone  
With your pussy on my phone  
Yeah
