

## Puss In Boots

Wheeler Walker Jr.

All those LA west coast silicone women  
Really think they're hot  
But it's no fun titty fuckin' titties when the titties are hard as rocks  
And up in New York City all them uptight bitties  
Like to shave their cooch  
But I prefer a little fur on my burger  
If you're wantin' me to tell the truth

I like my puss in boots  
A girl who knows how to honky tonk  
Hums along to a Waylon tune  
While she's hummin' on my cock and balls  
I want a girl in a cowboy hat  
Her tongue knows where my butthole's at  
Bush pokin' out her Daisy Dukes  
I like my puss in boots  
Boots

Well the girls in Chicago, they can spit, they can swallow  
When they're on their knees  
But it's hard to stay hard when you're fuckin' in a car it's four degrees  
All the girls in Milwaukee wanna slob on my cocky  
But I have to pass  
Cause I only get wood when my dick is up a good ol' Southern ass

I like my puss in boots  
A girl who knows how to honky tonk  
Hums along to a Willie tune  
While she's hummin' on my cock and balls  
I want a girl in a cowboy hat  
Her tongue knows where my butthole's at  
Bush pokin' out her Daisy Dukes  
I like my puss in boots  
Boots

Don't want them high heels on  
When you're slidin' up and down my dong  
And keep them fuckin' flip flops and your birkenstocks  
Away from my hillbilly cock

I like my puss in boots  
A girl who knows how to honky tonk  
Hums along to a Wheeler tune  
While she's hummin' on my cock and balls  
I want a girl in a cowboy hat  
Her tongue knows where my butthole's at  
Bush pokin' out her Daisy Dukes  
I like my puss in boots
