

## 2 Fix Us

### When In Rome

When you capture a heart, you just can't let it go  
And when you're falling apart, you've got to let her know  
How you feeling?  
How are you trying to forget about the night before?  
When the world turned upside down, and we lost it all

Is it too late to say I'm sorry?  
Is it too late to fit your broken heart?  
Is it too late?  
Is it too late to fix us?

Hanging around watching the lights downtown  
I'm feeling the sound of everything all around  
Can I fix this... gonna try?  
Can we let go of the past and make it around this time?

Is it too late to say I'm sorry  
Is it too late to fix your broken heart?  
Is it too late?  
Is it too late to fix us?

And now I hear your words above the crowd  
You asked me once again; how long will this take?  
To fix us

Is it too late to say I'm sorry?  
Is it too late to fix your broken heart?  
Is it too late?  
Is it too late to fix us?
