

Aftertaste

Whethan

We're falling deep if we're just falling out
But I wish I could tell you that
I wish I could tell you that
It's breaking me that our time's running out
But I wish I could tell you that
I wish I could tell you how it feels to need ya

Hey, you'll never love me like I do right now
I can't bear to see you come around
But you're back in my apartment

Lying on the bedroom floor
Lying on the bedroom floor
I can't take it, the
Aftertaste of the
Love we make when you're
Lying on the bedroom floor
I can't take it, the
Aftertaste of the
Love we make when you're
Lying on the bedroom floor

I wish I could tell you that
I wish I could tell you that, oh no
It's loneliness that keeps you next to me
You wish you could tell me that
You wish you could tell me that
There's a truth that I just can't believe
You see what you wanna see
I'll be what you wanted me to be to please ya

Hey, you'll never love me like I do right now
I can't bear to see you come around
But you're back in my apartment

Lying on the bedroom floor
Lying on the bedroom floor
I can't take it, the
The aftertaste of the
Love we make when you're
Lying on the bedroom floor
