

All I Needed

Whethan

You must've known
You'd be all I needed
I must've blown
Every opportunity

(You must've) In the snow storm
(You'd be all) In the snow storm
(You'd be all I known) At that point
(You'd be all I needed) All I needed

You must've known
You'd be all I needed
At that particular point
In the snow storm
(You'd be all I needed) All I needed

(You'd be all I needed) All I needed

(You'd be all I needed) All I needed
