Whethan

Came here looking for somebody
Now I'm looking at your body
Cause you're dancing kinda funny
We can talk, talk, talk

I can get some kicks for free
If you wanna follow me
Lock the door I got a key
We can talk, talk, talk

Came here looking for somebody
Now I'm looking at your body
Cause you're dancing kinda funny
We can talk, talk, talk

I can get some kicks for free
If you wanna follow me
Lock the door I got a key, key, key, key

Now I'm looking at your body
