

I can see it in your eyes  
All the pain that you've been hiding  
Don't hide it  
Just take a breath and let it go  
You don't have to be around  
To come closer to me  
I can see it in your eyes  
All the pain that you've been hiding  
Don't hide it  
Just take a breath and let it go  
You don't have to be around  
To come closer to me

Uh, uh, uh-uh  
Let me know it if you try to hide  
Uh, uh, uh-uh  
Let me know it if you try-  
Let me know it if you-

I can see it in your eyes  
All the pain that you've been hiding  
Don't hide it  
Just take a breath and let it go  
You don't have to be around  
To come closer to me

Uh, uh, uh-uh  
Let me know it if you try to hide  
Uh, uh, uh-uh  
Let me know it if you try-  
Let me know it if you-

Let me know it if you try-  
Let me know it if you-  
Let me know it if you try to hide  
Let me know it if you try-  
Let me know it if you-

Uh, uh, uh-uh  
Let me know it if you try to hide  
Uh, uh, uh-uh  
Let me know it if you try-  
Let me know it if you-  
Let me know it if you try to hide  
Let me know it if you try-  
Let me know it if you-

Let me know it if you try to hide  
Let me know it if you try-  
Let me know it if you-  
Let me know it if you try-  
Let me know it if you try-  
Let me know it if you try-  
Let me know it if you try-  
Let me know it, let me know it  
Let me know it if you try-  
Let me know it if you try-
