

DON'T WORK LIKE THAT

Whethan

Shawty, tell me what's up
Shawty, what is you doin'?
Got a nigga confused
Wild as fuck, got nothin' to lose
The Prada, the Fendi, the Gucci, the Louis
Now look at the coupe
I'm in the Porsche and it's losin' its mind
It's losin' the roof
Yuh
Yeah, yeah, yeah, yuh
Yeah, yeah, yeah, yuh
Space, space, yeah, yuh
Space, space

Shawty, tell me what's up
Shawty, what is you doin'?
Got a nigga confused
Wild as fuck, got nothin' to lose
The Prada, the Fendi, the Gucci, the Louis
Now look at the coupe
I'm in the Porsche and it's losin' its mind
It's losin' the roof
You not with the gang 'cause you not my kind
You don't move how we move
Headed to the bank, yeah, headed to the bank
In the blue Benjis, I trust (In I trust)
Runway show, this a runway fit
Only model bitches I fuck (I fuck)
Forgiato rims, that's what's on
My Bentley truck (My Bentley truck)
I'm geeked off the pill, I'm geeked off the pill
I gotta keep my shit tucked
I'm geeked off the pill, I'm geeked off the pill
These niggas suck like Russ
I'm keepin' it rare, you keepin' it square
'Cause all y'all niggas so sus
New opp pack is up in the air
'Cause all y'all niggas got done

I'm keepin' it real, I'm keepin' it real
So fuck how you feel
I'm keepin' it real, I'm keepin' it real
I'm keepin' it real, I'm keepin' it real
So fuck how you feel
You know what's the deal, I'm keepin' it real

It's losin' the roof
