

Fall Out Girl

Whethan

Too many things going wrong now
We keep having problems
And maybe we could talk and try to solve 'em
Got different things going on now
Keep your patience, calm down
Baby girl, I'm hoping we don't fall out

You and I, you and I, baby let's work it
Work it out, work it out, babe, I'm determined
I love you, you one of a kind, you one hell of a person
I be tripping out from time to time but I think I deserve ya

Girl, we never gonna fall out, fall out
Know I'll do anything to go all out, all out
And when I make it we gon' ball out
You know I got it, what you talking 'bout?
No, you ain't got nothing to worry 'bout
Girl, we never gonna fall out, fall out
Know I'll do anything to go all out, all out
And when I make it we gon' ball out
You know I got it, what you talking 'bout?
No, you ain't got nothing to worry 'bout

Know the way you look at me, I like it
I'm in love with you, I can't hide it
I'm not the jealous type, for you I might be
Feel like we meant to be, baby no don't fight it
Let me call her and tell her I'm feeling it
We can sit and talk, I know it's been a minute
I keep it a hundred with you, girl, you'll know if I didn't
Girl I'm missing you, I really hope we ain't finished

Too many things going wrong now
We keep having problems
And maybe we could talk and try to solve 'em
Got different things going on now
Keep your patience, calm down
Baby girl, I'm hoping we don't fall out

You and I, you and I, baby let's work it
Work it out, work it out, babe, I'm determined
I love you, you one of a kind, you one hell of a person
I be tripping out from time to time but I think I deserve ya

Girl, we never gonna fall out, fall out
Know I'll do anything to go all out, all out
And when I make it we gon' ball out
You know I got it, what you talking 'bout?
No, you ain't got nothing to worry 'bout
Girl, we never gonna fall out, fall out
Know I'll do anything to go all out, all out
And when I make it we gon' ball out
You know I got it, what you talking 'bout?
No, you ain't got nothing to worry 'bout

Fall out, fall out
