

HOW I FELT

Whethan

(Ooh-ah, ooh-ah)

(Ooh-ah, ooh-ah)

Ooh-ah, ooh-ah

That's how it felt when I fell in love

I said ooh-ah, ooh-ah

That's how it felt when I fell in

I said ooh-ah, ooh-ah

That's how it felt when I fell in love

I said ooh-ah, ooh-ah

That's how it felt when I fell in

When I'm with you, time's frozen

You're the only one I want, girl

When we kiss, we start floatin'

You're the only one I, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

I said ooh-ah, ooh-ah

That's how it felt when I fell in love

I said ooh-ah, ooh-ah

That's how it felt when I fell in

Ooh-ah, ooh-ah

That's how it felt when I fell in love

I said ooh-ah, ooh-ah

That's how it felt when I fell in

That's how it felt when I fell in love

I said ooh-ah, ooh-ah

That's how it felt when I fell in love
